

How to use Melbourne Bike Share: *Annual subscribers*

Follow the steps below to rent a bike using your annual subscription.

1 Insert your key into any docking point.

2 The light will turn amber while the key is checked. Wait for the green light, then remove your key and bike within 15 seconds.

3 Check that your bike is roadworthy and adjust the seat height.

4 The first 30 minutes of every trip are free.

5 Return your bike to any station. Push the front wheel firmly into any docking point. When the green light comes on, your bike is secured*.

***Important:**

Make sure the green light turns on when returning a bike. A bike that is not properly secured remains your responsibility. If you have trouble locking your bike, try another dock, or call customer service on 1300 711 590.

If your bike needs repair:

Just dock your bike at a station and notify us by pushing the red maintenance button on the dock.
